4-H Scholarship Fund

Ray & Marie (Rottmann) Sprick were native Warren County residents. Ray started LaFarge Quarry in 1959. He began supplying lime for agriculture producers in surrounding counties. Marie was an active member of the Women's Progressive Farmers Association. During these activities Mr. & Mrs. Sprick became familiar with the Extension Agriculture programs. Their love for Warren County and its citizens encouraged their desire to provide financial support for the Extension Program upon their death. This is how the 4-H Scholarship Fund began.

The 4-H Scholarship Fund is designed to help Warren County 4-H members who are in need of financial support to be able to attend 4-H events.

In order to apply for the 4-H Scholarship you must be an active member in good standing with your Warren County 4-H Club. Please submit a brief description of what you hope to gain from attending this event. You will also need to submit financial information concerning this event (i.e. registration fees, travel expenses, other financial assistance you may receive).

If you have any questions about completing this 4-H Scholarship application, please contact the Warren County Extension Center at 107 West Walton in Warrenton or call us at 636-456-3444.
