Why Should You Attend?

This annual educational conference offers opportunities to share the most up-to-date information and ideas to help you better manage and profit from your farming or rural enterprises.

Learn:

- management of forage and livestock after a drought.
- horse management.
- calf pulling and animal handling.
- growing produce and specialty crops.
- about estate planning.
- how to manage rotational grazing on small acreages.
- managing pastures for soil health.

Please call 417-859-2044 by Jan. 22 if you require special accommodation due to disability.

Participants are invited to bring non-perishable food items or a cash contribution to be donated to the Webster County Food Pantry.
