4-H is... 

4-H is the largest youth serving organization in the world. All 50 States and more than 80 countries have 4-H programs.

While 4-H has its beginnings in rural America, 4-H now serves young people and volunteers from major urban communities and rural non-farm settings as well.

4-H is more than a club; 4-H is young people preparing to be leaders. 4-H members attend camps, display their work at fairs, travel, and host people from other countries, and learn with other young people and much more! In 4-H you can prepare yourself for the future while making new friends and memories.

4-H projects... 

Over 100 projects are available ranging from Aerospace to Wood Science. Have a special interest, but there is no project like it listed? One can be created just for you.

4-H Activities... 

A variety of activities in 4-H include club meetings, fairs, camps, contests, trips and community service. Each of these opportunities provides fun and learning.

What does 4-H Cost? 

4-H is a relatively low cost youth organization. In Carroll County the dues are $25.00 a year per member. The 4-H year starts September 1st.

The cost of 4-H projects may be low in some projects such as Public Speaking and Foods or may be high in projects such as Beef and Horse. 4-H makes an effort to keep costs low to provide opportunities for all youth.

Can I Start a 4-H Club? 

New 4-H Clubs are always welcome. There are 4-H Clubs in nearly every area of the County. It only takes five young people and one leader to start a 4-H Club. Membership is open to youth ages 5-18. It is rewarding to be involved with a group of young people in a 4-H Club.

4-H is for Families 

4-H encourages and rewards participation by the entire family. Youths enroll as 4-H members. Other family members help out as group leaders, project leaders, meeting helpers, transportation aids, you name it! 4-H is definitely a family affair.
