University of Missouri Extension FNEP provides programming in youth nutrition activities. The purpose of the program is to:

1) Improve the abilities of youth to form healthier food choices based on MyPyramid.
2) Encourage youth in preparing and selecting healthy snacks and meals.
3) Promote the use of safe practices in handling food.
4) Assist teachers in meeting the requirements of the "Show-Me-Standards" for the state of Missouri.

Agency and Teacher's Responsibility

- The cooperating agency will provide a quiet space for nutrition education activities for a group learning experience. (i.e. classroom, meeting rooms, library, etc.)
- The cooperating agency will provide an adult to aid in the supervision of the students during the learning experience.
- The cooperating agency will provide equipment, materials, and supplies as necessary to enhance programming for youth
- The cooperating agency will provide a signature for in-kind match forms to help us meet federal funding guidelines.
- The cooperating agency and University of Missouri FNEP Assistant have reviewed school emergency procedures (tornado, fire, school violence, etc.).
