Prizes are $50 for 1st Place & $25 for 2nd Place

EVENTS:
Watering: Contestants will climb a fence, then pass buckets of water over the fence from one team member to the other until all buckets are on the same side of the fence.

Bale Moving: Contestants will be required to load a stack of hay bales and relocate them to a new stack, or place bale rings over large round bales. Penalties may be assessed for broken bales.

Egg Gathering: Contestants will gather and safely deliver a dozen eggs. One team member will collect the eggs then toss them to the other team member who will load them into a basket, with penalties for broken eggs.

Pen Building: Contestants in the two older divisions will work together to construct a livestock pen using gates or other material provided for the task.

Wheel Barrow Races: Contestants will travel a course with a blindfolded driver transporting the other team member to a specified location using directions from the passenger.

Post Driving / Tire Rolling: Contestants in the two older divisions will drive steel posts to a specified depth. Penalties may be assessed for failure to drive posts to the designated depth. In the 4-H, 8-12 division, Post Driving will be replaced with a tire rolling event requiring the contestants to roll an implement or tractor tire through a portion of the course.

Chicken Herding: Contestants will be required to gather and relocate chickens from one pen to another.

RULES:
1. This will be a timed event with the team completing the tasks in the fastest time being the winner.
2. Penalties will be assessed as an addition of time for each infraction.
3. Events are subject to change at the discretion of the fair board.
4. Intentional damage to any materials used for this competition, or abuse to livestock by contestants will result in immediate disqualification of the team and all entry fees will be forfeited.
5. Each team must submit a completed entry form found on the following page along with their entry fee during registration one hour prior to the competition.

Conference Judging Begins at 4:30 – Entries Judged in Order of Arrival
State Fair Selection Immediately Following Conference Judging

4-H Building Showcase

Missouri 4-H Youth Programs are under the direction of University of Missouri Extension, University of Missouri and Lincoln University.

“Learning by Doing” is the basis of 4-H work, and each year thousands of young Missourians between the ages of 8 and 19 do just that.

Besides developing practical skills and knowledge, 4-H’ers are developing “life skills.” Under the leadership of more than 9,000 adult volunteers, 4-H members learn to make sound decisions, work cooperatively in groups and develop a sense of self-worth and accomplishment. 4-H also fosters leadership, as older youth share their talents with younger 4-H’ers.

We salute all Missouri 4-H members, volunteers and families.
Showcase Guidelines

1. Items made by 4-H members should reflect the skills they have learned in their 4-H project, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature and the "Clover" for ideas and criteria.

2. Items displayed must:
   - Be made in the current year
   - Be the work of the 4-H members
   - 4-H member must be enrolled in the project

3. Items must receive a blue-ribbon at the Sullivan County Fair to be chosen as a Missouri State Fair exhibit. Items are not re-judged at the State Fair, MSF exhibits receive a blue ribbon and a premium.

4. Items are displayed at the risk of the individual 4-H member. The 4-H faculty, staff and Extension Centers are not responsible for loss or damage to items.

5. For all projects the 4-H member may display “any item made” in that project. This includes notebooks, file cards, photo displays, posters, or educational displays. Regardless of project, the following dimensions must be used. Items which do not comply with size or other specifications will not be displayed or receive a premium or ribbon. Some projects have specific requirements, please read below!

   **Poster** - No larger than 14” x 22”; flat only; do not fasten three-dimensional items to the poster.

   **Photo Display** - see guidelines for Photography project (below)

   **Educational Display** - Must not exceed 11 inches in height, 12 inches in depth (front to back) and 14 inches in width. Must include three-dimensional items and stand-alone. (Posters with items taped to them do not qualify as an educational display. Science fair display boards are too large.)

   **Electrical Items** – should be made in accordance with the National Electrical code. Consult power suppliers or electricians for code requirements. Battery operated items are also eligible items. See guidelines for Electricity project below.

   **Working Models** – These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered “hands-on” and can be handled by visitors. Working models should require floor space no larger than 14” X 22”.

### Individual Project Guidelines:

**Breads** - samples will be called for locally; however, samples are not needed for MSF exhibits. Bread products should be displayed in mini versions (portions of 1/3 to ¼ of a larger total product.) Please send items on disposable plates only, unless it is a gift package. Please do not use expensive or keepsake containers.

**Clothing and Textiles** - Be sure to double tag all clothing items.

**Decorated Cakes** - The use of forms or pans is recommended. Cakes should not exceed 13” in height or at the base. Cake boards should not exceed 1” margin on each side of cake pan or form. Must only use Royal Icing, Rolled Fondant or commercial product (i.e. Dapp) that will harden and preserve the decorated cake. (No real cakes, Butter crème icing or tube/gel icing - displays containing these items will be considered ineligible and will be rejected.)

**Entomology** - Box must be exactly 18” long x 24” wide and 3 1/2” deep to fit in display racks. The insects should be named, labeled, and mounted so the boxes can be displayed horizontally. Securely fasten display cover with tape or screws. No handles or knobs. If a member’s entomology collection is displayed in more than one box, the member may send only one box for display.

**Electricity** - exhibits using batteries such as circuit boards should not have the wires connected to the battery; rather the wires should be taped behind the battery. Another option is to not attach battery but indicate “battery goes here.”
Food & Nutrition – exhibits must adhere to these guidelines:
1. Food must be of reasonable quality to keep more than a week. Do not send food items that will spoil quickly such as casseroles, pizza, cream pies; items made with cream cheese, etc.
2. Submit food items on paper or disposable plates. Plastic wrap will be removed so drying of the food will extend display life of the product. Please do not use expensive or keepsake containers.
3. Samples are needed for local judging.
4. Biscuits, cookies, muffins and other small items should be four per plate. Cakes should be displayed in mini-versions (portions of 1/3 to ¼ of a larger total product.)

Gardening - The number in parentheses is the number of items to be displayed. The 4-H’er must have grown the vegetables. The following guidelines should be followed:
1. Vegetables must be of reasonable quality to keep more than a week.
2. Use disposable containers (paper plates or boxes) to display items.

Geology – box must be exactly 18” long x 24” wide and 3 ½” deep to fit in display racks at MSF. Plexiglas or plastic covers are preferred. No handles or knobs. Specimens should be labeled and mounted so the boxes can be displayed. Rocks need to be attached in the box securely. If a member’s collection is displayed in more than one box, the member may send only one box to the MSF. Boxes will be displayed upright in racks at MSF.

Horticulture- Live plants or cut specimens must be displayed in a container no larger than 8” in diameter. 4-H member must have grown the flowers used.

Photography – The following guidelines are requirements for 4-H photography exhibits:
1. Photos must be mounted on an 8” x 10” solid mounting surface.
2. The mounting surface should be mat board.
3. Photographs must be 8” X 10” or smaller, with no more than four photos per mat board.

Digital Considerations:
1. Altering (editing to change the contents of a photo) is not permitted for State Fair exhibits.
2. Enhancing (editing to enhance the existing qualities of a photo) is permitted.

Exhibit guidelines are available online at http://4h.missouri.edu/go/events/statefair/photoguidelines.pdf.

Scrapbooking exhibits should be only 1 page representative of the complete scrapbook.
1. Size not to exceed 12” x 12”.
2. All pages should be in clear protective sleeve or clear zipper bag. Do not frame.

Shooting Sports exhibits should contain no live ammunition and arrow points should be removed.

6. No early removal or checkout of items is permitted.

7. If an exhibit which receives a “State Fair” award is too large to be mailed or delivered to the Missouri State Fair, a photo of that item may be sent instead. One photo, no larger than 5x7, not mounted on anything, may be submitted instead of the actual project.

8. Building Exhibits will be released on Saturday July 14th from 12:00 PM to 3:00 PM.

1. **ENTRY RULES:** The Sullivan County Fair is open to the following exhibitors:
   - Horse, swine, sheep, goats, small animals, bucket calves (4-H ages 8 to 12) and beef entries by:
     - All eligible youth enrolled in 4-H work in the State of Missouri. (No Clover Kids may exhibit.)
     - All eligible members of an active FFA Chapter in the State of Missouri.
     - All 4-H and FFA Entries show in the same class.
     - Youth under 7 years of age are eligible to exhibit in each species Pee Wee class.

2. Missouri Department of Agriculture Health Regulations will be followed. Please review complete Animal Health Regulations found on the following pages of the Fair Book. **REQUIRED CERTIFICATES OF VETERINARY INSPECTION MUST BE CHECKED BY FAIR STAFF PRIOR TO UNLOADING OF ANY ANIMALS.**

3. Exhibitors must have **registration papers** to be eligible for any purebred breeding or market animal classes. A breeder’s certificate, performance pedigree or registration paper is required to be eligible for steer (breed) classes. These papers will accompany the animals at check-in time at the fair.

4. Exhibitors must furnish their own bedding.

5. All FFA and 4-H exhibitors must be members in good standing in their respective state and county organizations. All animals exhibited must be part of their supervised farming or project program. All records or reports required by their respective organizations must be kept.

6. Animals are to arrive and unload at their assigned time. All animals will be stalled as they arrive, and will be released following their respective shows at the discretion of the department chairperson per rule #7.

7. **Exhibitors are to clean barn and stall area before leaving.** Livestock Chairperson or fair officials’ approval must be obtained before animals and exhibitors are released. Exhibitors who fail to comply will forfeit premiums.

8. Livestock unloaded but not shown because they are unmanageable or a hazard to other participants will be dismissed from the show. Sullivan County livestock will not be sold at the livestock sale if dismissed from show. Dismissal is at the discretion of the livestock chair.

9. No trophies, plaques, or other prizes are to be awarded to a non-blue ribbon project.

10. Livestock are to be exhibited in a presentable condition.

11. All livestock is to be exhibited by the 4-H or FFA member. If a 4-H/FFA member will be absent from the fair, they must receive prior approval from the species chairman or Fair Board to have another 4-H/FFA member exhibit for them. If an exhibitor has two animals showing in the same class, another 4-H or FFA member may help show the second animal. No outside help while showing unless the animal is unruly, then assistance may be permitted or the animal dismissed.

12. The Livestock Chairperson reserves the right to mouth the Champion and Reserve Champion Steer.

13. Market animals may not also be shown in breeding classes. For example, if showing a market gilt, the gilt may not also be shown in a breeding gilt class. Each animal may only be entered in one class.

14. Premiums will be paid as money allows, not to exceed fifty cents ($0.50) per point.

15. **Pre-registration with entry fee is to be POSTMARKED on or before July 1st.** Late entry fees (including the day of the show) will be charged an additional $1. Registration forms are available at: [http://extension.missouri.edu/sullivan](http://extension.missouri.edu/sullivan).

16. There will be absolutely NO ALCOHOL ALLOWED during 4-H and FFA activities and events.

17. ANY situation not covered in these rules will be handled according to the rules of the Missouri State Fair. However, the Sullivan County Fair reserves the right to interpret all rules and regulations and their decisions will be final.

18. Abuse to Animals: Should any physical abuse be observed toward an animal, either in the barns or in the showring by the exhibitor or agents, the livestock chairperson has the authority to eliminate exhibitor and animal from the show.

19. 4-H Members will be asked to show their Quality Assurance Card and are required by 4-H rules and regulations to be certified in the Livestock Quality Assurance Program. (Does not apply to FFA exhibitors.)

20. Points will be awarded on the following basis:

4-H & FFA LEAD LINE CLASS RULES

1. The purpose of this class is to present a class of beauty, to acquaint the public with modern sheep production, and to promote the use of wool by demonstrating its beauty, versatility and source.

2. Entries in this class are open to any 4-H or FFA Member.

3. All models must wear wool and/or wool blend outfits.

4. These outfits may be handmade by the entrants or someone else, or purchased.

5. There will be two age groups. The junior division will include 4-H ages 8 years through 13 years old. The senior division will be for 4-H/FFA ages 14 years to 18 years and to age 21 for FFA members. There must be four (4) entries in each division or they may be combined into one group.

6. If the exhibitor does not show sheep at the fair they may team up with someone who is showing sheep at this year’s Sullivan County 4-H and FFA Fair.

7. The person supplying the sheep will be responsible for having the sheep clean and fitted for show. They must also see that the sheep is halter broken.

8. Only yearling ewes, ewe lambs and wether lambs that will be shown at this year’s Sullivan County 4-H and FFA Fair may be used.

9. Entrants will be judged on the appropriateness and attractiveness of their garments, their poise and appearance, and the control and presentation of their animal.

10. The 4-H and FFA Lead Line Class will be held on Thursday, July 12th, at 6:15 P.M. (prior to the breeding sheep show, & following Pee Wee show & Pee Wee Lead Line).

11. Please give your completed entry form(s) to Tammy Campbell, sheep chairperson, during the sheep check-in Thursday evening.

12. If you have any questions, please contact the University Of Missouri Extension Center, Sullivan County Courthouse, Third Floor, 109 North Main, Milan MO 63556, or by calling 660-265-4541.

13. Awards will be given following the completion of the lead line show. The Lead Line Champion will be chosen between the Jr. and Sr. Division winners.

SULLIVAN COUNTY FAIR BOARD PEE WEE SHEEP LEAD LINE
The Sullivan County Fair Board Pee Wee Sheep Lead Line is for ages 7 years and under and will follow the same rules as above for the 4-H & FFA Sheep Lead Line. They will exhibit Thursday, July 13th, following the Pee Wee Sheep Show & prior to the 4-H/FFA Lead Line.
Please use the Following Lead Line Form for All Lead Line Classes.
