

Monthly 4-H Activity Report

We have designed a form to help you keep track of what you do each month. Pick up this form at your 4-H meeting every month. Fill out the activities you did or discussed at your meeting, then take it home and post it on your refrigerator or put it in a place where you can see it. Every time you do something 4-H related during the month be sure to write it on this paper. Then at the end of the year when you are filling out records or applying for 4-H awards you have all of the work already done!

<h2>My 4-H Activities</h2>	
Month: _____
