

Christian County Master Gardeners Training Scholarship

Our Master Gardener chapter offers up to three \$100 scholarships annually to individuals who have completed Master Gardener training either online or in a seated class and who commit to becoming an active member of CCMG. Master Gardener training now costs \$200, so our scholarships can halve that cost.

To apply for the scholarship, follow the instructions below. Scholarship recipients will be notified by December 31.

Questions? Call the Extension office at 417-581-3558, and ask for the New Members Chair.

Instructions

- **Finish** the Master Gardener classroom training or online training. **Do not apply until training is completed.**
- **Complete** the accompanying application, and **submit** it to christianco@missouri.edu by December 1. You also may mail the application to:

**Christian County Master Gardeners
c/o MU Extension Christian County
202 W. Elm St.
Ozark, MO 65721**

- **Call** the Extension office at 417-581-3558 if you have not received confirmation of receipt of your application within two weeks after submission.
