Dear 4-H Families,

For many of us, the fairs are the most enjoyable part of the summer. In spite of the excessive heat, the fairs have gone well, and those of you who have participated can be proud of your achievements. As we look back on our fair experiences, we should take a look at the way that the process of the fair unfolds; this process is much like the seven steps in the scientific method, and the experiential learning model (Do, Reflect, Apply). The scientific method, and the process of "Do, Reflect, Apply" is what I have been discussing for the past several months as I have tried to share how Science, Engineering and Technology is being utilized in 4-H.

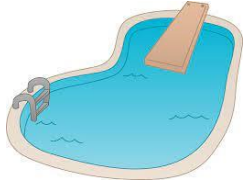

The steps in the Scientific Method (identify the problem, formulate the hypothesis, design and conduct experiments, collect data, analyze the data, draw conclusions and make recommendations) is quite similar to the Experiential Learning Model (experience, share, process, generalize, apply) or even more simply expressed: Do, Reflect, Apply. It is easy to see the process of "Do, Reflect, Apply" as you prepare a project for the fair, as you show that project, and after it is judged you think, "How might I have done better?" Whether it be washing a steer or baking cookies we are all concerned about the finished product, either the steer that is showing in the ring or the plate of cookies; they will each show before a judge. That judge will determine which project is blue, red, or white, as well as 1st, 2nd, 3rd, etc. We use a process of creating or producing that end product. Sometimes we don't even realize that we are going through that process to get the finished product, but we nonetheless are.

As we reflect on the end of the 4-H year and the starting of the new one let's take time to look back through the year and be proud of our accomplishments. Looking over the small exhibit projects entered at the fairs has shown the well-rounded program that is available to 4-H members here in Jasper County. I encourage each of you to consider the project areas that you have studied, and think about how you might go farther with a related project, and learn more. If you showed a steer, what did you learn about feeding your animal? You could study feeds and feed rations. You might want to take a look at veterinary science. If you have been baking cookies, you might want to study meal planning, create your own recipes, or take a look at food science. The possibilities for learning are endless. It all begins with you. Let me know when I can be of help.

Have a great August!

Bob

Congratulations Dade County 4-H

Great Job!

Missouri 4-H plans for Missouri's Bicentennial

August 6-8

Together for '21 Fest: A Missouri Bicentennial Celebration
On MU's campus at the Center for Missouri Studies

August 10

Statehood Day in Jefferson City
On the first floor of the Capital—probably in the Rotunda

August 12-22

Missouri State Fair
Displayed in the 4-H Building

No Limits P.I.G. Show

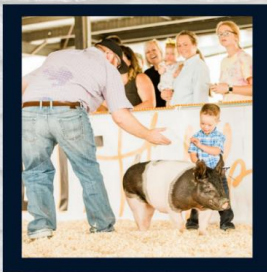

Thursday, August 19th ~ Swine Barn ~ 2:00pm

Join us for this special event!

The Missouri State Fair Foundation is hosting a No Limits P.I.G. Show to provide youth with physical or cognitive challenges the opportunity to enter the show ring at the Missouri State Fair. Each novice exhibitor will be paired with a 4-H/FFA swine ambassador to experience the GREATNESS (independence, confidence, respect, and fun) that comes from exhibiting livestock.

For more details on the No Limits PIG Show, registration forms, and to order shirts visit their site

<https://www.mostatefairfoundation.net/p/getconnected/no-limits-pig-show>

		Mizzou Central

Healthy Living Bingo Competition

Are YOU ready to play some Bingo?

We are offering a social media-based Bingo challenge where 4-H members have the chance to win a bag full of 4-H merch.

Stop by our booth in the 4-H Building at the Missouri State Fair on **August 15**, between **9:00 AM - 5:00 PM**, for a chance to ask questions about the competition and to pick up your own copy of the Bingo board. For those unable to attend the fair that day, no need to worry. An email containing a copy of the Bingo board will be sent to all families that same day using your 4-H Online Account, and we will be posting a copy to Missouri 4-H's social media pages as well.

To get a "Bingo," individuals must complete the activities to get "4 in a row." If you get a "Bingo," your name will be entered into a drawing for the chance to win one of the 5 prize bags. So... the more "Bingo's" you get, the more chances you have at winning.

Participants will record themselves completing the activities and post them via their own Facebook, Instagram, Twitter, or TikTok. To be entered into the prize drawing, when posting your videos be sure to tag the Missouri 4-H accounts as well as use the hashtag #MO4HBingo. Details for this challenge will be released August 15!

Shooting Sports Updates

Western Heritage State Shoot
September 11-12, 2021 at Dysart Range in Marshall.
Registration is open now through Sept. 1 in 4-H Online.

Time to Register for the State Shoot
Skeet registration for the State Shoot closes July 31. Absolutely NO late entries will be accepted.

The State 4-H Shooting Sports contest will be held over three weekends and at four separate locations. It will be important to note these locations and distances during your registration of each entry in the contest. Registrations are non-refundable.

- [Registration Instructions](#)
- [Register here](#)
- [Rules for all events](#)

State Shoot: Skeet	Aug 7	June 15-Aug 1	Gateway Gun Club, Hazlewood
State Shoot: Trap	Aug 28	June 15-Aug 15	Mo Trap Shooters Assoc., Linn Creek
State Shoot: Archery NFAA 300	Aug 28-29	June 15-Aug 15	Prairie Grove, Columbia
State Shoot: Everything else	Sept 18-19	June 15-Sept 1	Various locations TBD

Fall Instructor Certification

Leader Certification will be held in a 2-part format.

Part 1:

This is an online training provided by the National Shooting Sports Committee that **MUST** be completed **BEFORE** the in-person portion of the training. The cost is \$20 per person and you can complete the training at <https://www.4-hshootingsportscollege.com/>. This is a ONE-TIME training.

Part 2:

October 1-2, 2021 at Camp Jo-Ota, Clarence, Mo

Registration fee: \$75

Registration: Aug. 1 –Sept. 15 in 4-H Online

This will be a new format for these trainings! Friday night session begins at 6PM and is mandatory for all participants. The workshop will end Saturday evening-no Sunday portion. Both portions (part 1 & 2) **MUST** be completed before certification will be granted. Registration fees includes on-site camp housing, if you prefer other lodging arrangements, those are on your own. All meals on Saturday are included. Friday will only include an evening snack.

Livestock Judging

The 2021 4-H State Livestock Judging Contest will be held in-person Saturday, September 11, 2021 at the University of Missouri. Registration is open in 4-H Online now until August 15. The fee is \$25 per individual with no fee for coaches. Registration is limited to one junior and one senior team per county who have qualified at local contest. [More information](#)

Hogs for Hunger

The Drive to Feed Kids is a yearlong effort to fight food insecurity. This year, Missouri Farmers Care is adding to the effort with a new program called Hogs for Hunger. Below is a letter provided for exhibitors. To read the press release, go [here](#).

Dear Missouri 4-H or FFA swine exhibitor,

One in five Missouri children is food insecure, facing uncertainty as to where their next meal may come from. Food insecurity in childhood is associated with poor academic performance, developmental delays and chronic illness. This year you have an opportunity to change the lives of your friends and classmates who don't have enough to eat. Building on the success of the 2020 Pork Partnership, Missouri Farmers Care Foundation's Drive to Feed Kids invites swine exhibitors to donate pigs this summer to feed hungry Missourians through Hogs for Hunger.

There are two paths for swine exhibitors to give this summer through the Drive to Feed Kids Hogs for Hunger. Missouri 4-H and FFA exhibitors can process and donate their pigs locally or up to 50 pigs will be accepted for donation at the Missouri State Fair. Exhibitors need to indicate their commitment to donate their hogs at www.MOFarmerscare.com/drive.

For pigs processed and donated in local communities, processing spots are to be booked by exhibitors at USDA or state-inspected lockers. Missouri state-inspected lockers can be found at: <https://agriculture.mo.gov/animals/health/inspections/officialplants.php>. USDA-inspected lockers can be found at: <https://www.fsis.usda.gov/inspection/establishments/meat-poultryand-egg-product-inspection-directory>.

To complete the local donation, exhibitors coordinate and deliver pork to the Feeding Missouri food pantry of choice; partnering food pantries can be found at: <https://feedingmissouri.org/get-help/your-fb/>. Upon delivery, the invoice for processing and the receipt of donation from the food pantry can be submitted to info@mofarmerscare.com. The Missouri Farmers Care Foundation will reimburse exhibitors for processing costs up to \$100 per pig.

In partnership with the Missouri State Fair Foundation, up to 50 pigs will be taken for donation at the Missouri State Fair. Missouri 4-H and FFA members must indicate their willingness to donate their pigs at www.MOFarmersCare.com/drive by July 30. Pigs will be released early on Saturday, Aug. 14, processed at Kempf's Custom Butchering, and donated to The Foodbank for Central and Northeast Missouri, which serves 44 Missouri counties. By donating one hog you can feed 525 Missourians in need. Thank you for making a difference in the lives of neighbors in need. To learn more about Drive to Feed Kids and the Hogs for Hunger program, visit www.MOFarmersCare.com/drive.

Sincerely,

Ashley McCarty
Missouri Farmers Care Foundation
Executive Director

Alan Wessler, D.V.M.
Missouri Farmers Care
Drive to Feed Kids Chairman

Hogs donated THIS summer can be added to your 2022 4-H Feeding Missouri totals!

Hogs for Hunger

The Drive to Feed Kids is a yearlong effort to fight food insecurity. This year, Missouri Farmers Care is adding to the effort with a new program called Hogs for Hunger. Below is a letter provided for exhibitors. To read the press release, go [here](#).

Hogs donated THIS summer can be added to your 2022 4-H Feeding Missouri totals!

-4-H Feeding Missouri Committee

4-H'ers Helping 4-H

The 4-H'ers Helping 4-H'ers fund was created by the 2015 State Council with the goal of providing scholarships to state events for 4-H members in financial need. The cost of attending state events is often too high for those who have few resources, and limits accessibility to a smaller number of members. Please help ensure that all youth in 4-H have the support they need to access invaluable leadership and career development opportunities by [donating today](#).

11th Annual Clover Classic Golf Tournament

Missouri 4-H'ers believe in creating positive change in their communities, which is why we teach them critical life skills, including hard work, respect and compassion. But we can't do it without you. Whether or not you are a golfer, you can help us empower kids with the skills to lead for a lifetime by getting involved in the 11th Annual 4-H Clover Classic Tournament presented by The Climate Corporation, a subsidiary of Bayer, and Great American Insurance-Crop Division. Team up with us on **Tuesday, September 21, 2021 at the A. L. Gustin golf course in Columbia** and help us "Inspire Kids to Do!"

Target Circle

We're participating in the Target Circle program! You can vote for us and help direct Target's giving to benefit our nonprofit. For full program details and restrictions visit [Target Circle](#).

Clover Kids Corner

Through Clover Kids clubs, children learn how to get along, share, and work in groups, explore their interests, and build self-confidence. Each Clover Kids Corner provides an activity, information or other materials that Clover Kids leaders can use in planning and implementing experiences that introduce five- to seven-year-olds to the 4-H concept of learning by doing.

Nature Scavenger Hunt

Supplies:

- paper (index card works great for this)
- pencil or pen or marker
- small bags (paper or plastic)

Directions:

Make a list of items for youth to search. You can include leaves, flowers, pebbles, moss and other outdoor items. You can include insects and animals on the list but instruct them to check them off instead of taking them. Give them small bags and a time limit to go exploring. Teach them to recognize poisonous plants, such as poison ivy, mushrooms, and stinging nettle; tell them not to touch them. Have people share their favorite items with the group.

University of Missouri, Lincoln University, U.S. Department of Agriculture & Local University Extension Councils Cooperating

Equal opportunity is and shall be provided to all participants in Extension programs and activities, and for all employees and applicants for employment on the basis of their demonstrated ability and competence without discrimination on the basis of their race, color, religion, sex, sexual orientation, national origin, age, disability, or status as a Vietnam-era veteran. This policy shall not be interpreted in such a manner as to violate the legal rights of religious organizations or military organizations associated with the armed forces of the USA."
