# Welcome to 4-H

Thank you very much for your interest in the Dade County 4-H Program. This “Welcome Packet” is full of valuable information that will help in making your first few years in 4-H a bit easier. 4-H can be a complicated youth organization with many acronyms and a sometimes confusing chain of command. We hope that all of your questions are answered in this folder, or it will help you to find the information you need.

## WHAT IS 4-H?

4-H is the largest youth-serving organization in the world. 4-H welcomes youth ages 8-18 who are interested in learning more about themselves, their community, and their hobbies or interests. Clover Kids is the equivalent to 4-H for children ages 5-7. 4-H prepares kids for the future, while making new friends and great memories. 4-H is the youth development program of the University of Missouri Extension, a division of the University of Missouri. Youth staff at your local Extension Center is in charge of 4-H programming.

## THE PLEDGE

The 4-H pledge along with the American Flag pledge is said at the beginning of each club meeting. Please help your child(ren) to memorize the pledge before their next meeting.

I PLEDGE. . .

- My head to clearer thinking
- My heart to greater loyalty
- My hands to larger service
- My health to better living
- For my club, my community, my country, and my world

## 4-H COLORS

The official colors of 4-H are Kelly Green and White. The white symbolizes purity and the green represents life, springtime and youth.

## 4-H MOTTO

To make the best better

## 4-H SLOGAN

Learning by doing.

## 4-H MISSION STATEMENT

Missouri is creating environments in which young people are valued and contributing members of their communities.

## WAYS TO PARTICIPATE

Clovers Kids - This project introduces 4-H to 5 to 7 year olds. (Children must be 5 on December 31st of the program year.) Clover Kids may enroll in Project 481, 482, or 483 only. Clover Kids do not participate in any **competitive** events, contests, or shows. 4-H Clover Kids do participate in the fairs just like a regular 4-H member; however, they **do not** receive placings (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, blue, red, white, etc.) Clover Kids may not participate in Horse or Shooting Sports projects.

4-H Club Membership - For youth ages 8 to 18 on December 31st of the program year. Youth participate in organized 4-H clubs and enroll in project and club activities. Clubs elect officers and plan club programs that include health, recreation and community service.

## **ENROLLMENT**

The 4-H project year is from October 1 through September 30. Members typically enroll in the fall. Membership is open year round; however, there are limits on project participation depending on the time you join.

All 4-H enrollments are managed online at <https://mo.4honline.com/> A maximum of three projects is recommended for first year members and members 10 and under.

## **4-H PROJECTS**

4-H projects are educational and practical and enable youth to learn facts and skills useful in everyday life; learn how to communicate, work and play with others; learn more about educational and career opportunities; learn to be a leader and make new friends; to name a few.

## **COMPLETING YOUR YEAR**

Member must complete work in at least one project area for the year. Member must participate in “at least” six hours of project studies and additional time as directed by the project leader.

Member must complete at least one project item or raise an animal, as applicable; exhibit at the Dade County Youth Fair; give at least one demonstration or illustrated talk before an organized group, such as a club meeting or County Achievement Day; participate in at least one judging event at a club or county event and participate in community service.

Member must also complete an End of Year Report form and at least one project report. In addition to those forms, there are forms for officers too.

Attending regular project meetings or participating in the fair may not be possible in some cases. Club leaders and project leaders may work with a member on a pre-arranged contract basis to successfully complete the 4-H year.

Yearly participation awards and other awards are presented at the annual 4-H Awards Program in the fall.

## **4-H IS A FAMILY ORGANIZATION**

The 4-H member needs the support and encouragement of the family. Parents and other family members can contribute in many ways to the 4-H program. They may help members:

- Determine project goals
- Obtain necessary project supplies
- Carry out work at home
- Maintain records
- Evaluate project work
- Attend meetings
- Participate in events
- Choose to become project leaders

## **4-H NEWS AND INFORMATION**

It is the responsibility of each 4-H member and family to keep current on 4-H activities, events and deadlines.

The monthly newsletter, the News & Notes – Web Address:

[https://extension2.missouri.edu/catalogsearch/result/?it=Resources&programs=Missouri%204-H&acm\\_related\\_category=Newsletter&county\\_category\\_aggregate=Dade%20County&mpp=24](https://extension2.missouri.edu/catalogsearch/result/?it=Resources&programs=Missouri%204-H&acm_related_category=Newsletter&county_category_aggregate=Dade%20County&mpp=24) contains up-to-date county 4-H information as well as club reports.

For club reports and other information to be included in the newsletter, deliver, mail, fax, or e-mail them to the Extension Center by the 25<sup>th</sup> of each month. It is best if messages are in writing so that they do not get misinterpreted, lost, or misplaced.

## **CLUB MEETINGS**

Each club holds a monthly business meeting. Club meetings may sound boring, but it is here that members meet people in their club and decide important issues about recreation, fundraising, community service, and other activities. As they become older, these meetings allow youth to broaden their leadership skills by becoming an officer or committee chair.

## **CLUB MEMBERS**

4-H is open to anyone between the ages of 5-18 on December 31<sup>st</sup> of the upcoming year (we call this 4-H age). Members and volunteers will enroll online each year.

## **CLUB LEADERS**

It takes a lot of adult volunteers to make the 4-H program work. We hope that you will consider one of the following roles as a 4-H parent:

**Community / Club Leader:** This leader is responsible for the club and oversees all club activities. This person is the main contact between the University of Missouri Extension Center and the club.

**Volunteer Leaders:** These leaders are parents, grandparents, aunts, uncles, neighbors, etc. that enjoy working with youth. Their responsibility is to lead individual project groups and committees. Each leader is screened and carries University of Missouri liability insurance.

**Junior (Teen) Leaders:** Junior leaders are young people that assist project leaders and help other members in the projects in which they are enrolled.

Ask the club leader for a new leader packet that will contain a leader enrollment form and other valuable information about being a project leader. Leaders must participate in a mandatory one-time Volunteer Orientation to serve in a leader role. Trainings are offered online or face to face throughout the year.

## **CLUB OFFICERS**

Club officers are members that are learning more about leadership roles. They are usually elected at the September meeting and serve for a one-year term.

**President** – runs the meetings, keeps order, and informs the club of upcoming events

**Vice-President** – runs the meeting in absence of the president, introduces guest speakers, keeps the flags and banners for the club

**Secretary** – keeps a record of member attendance and keeps the minutes in the Missouri 4-H club Secretary's Record Book

**Treasurer** – keeps financial records for the club and reports the records at each meeting

**Reporter** – submits news about the club and its members to the News and Notes and other media

**Historian** – keeps a scrapbook of member activities for the year

**Photographer** – is responsible for taking pictures of all the important events for the club

**Parliamentarian** – keeps the meetings running smoothly through the proper use of parliamentary procedure

**Chaplain** – is responsible for invocations and benedictions where appropriate

**Song and Game Leader** – leads a song or recreation at each meeting

## **PROJECT MEETINGS**

4-H offers over 100 projects for members to choose from, ranging from aerospace to clothing and foods to rabbits. Whatever projects the club members choose they are sure to have fun learning with people interested in the same thing as they are. Check out "The Clover" for project choices.

Most of the time parents or interested adults will serve as project leaders. In some cases your club may not have someone who can help with projects. If this is the case, talk to your club leader or call the Extension Office to find out if there is a key leader in the county to help your child. During a project meeting members meet with other members who share similar interests.

## **CLUB COMMITTEES**

Some clubs have committees that allow members to have a helping hand in decisions relating to the committees they choose to be part of. Members should sign up for committees at one of the first club meetings of the year (September or October). Committees are a great way to organize ideas outside of the actual meeting. Here are some committees you might find in the county 4-H clubs. There may be others, but here are some basics:

**Fundraising** – this committee is responsible for planning and implementing any fundraisers that the club decides to do. Committee members look for ways to raise money for the activities of the club

**Recreation** – this committee presents ideas to the club about what, where, and when to do recreation

**Community Service** – this committee coordinates a list of community service activities for the club to do throughout the year

## **CODE OF ETHICS**

Believing it is in the best interest of all 4-H members to maintain a reputation of integrity, and to present a wholesome and progressive image, the County 4-H Council sets forth the following regulation:

*“4-H members and their families are expected to conduct themselves according to the best traditions of their organization. Inappropriate conduct (drinking, using illegal drugs, stealing, vandalism, and indiscreet behavior) will not be tolerated.”*

Any violation of this rule will be grounds for asking the member and family to leave the 4-H activity.

## **THE DADE COUNTY 4-H LEADERS (COUNTY 4-H COUNCIL)**

The Dade County 4-H Leaders serves as the policy-making body for the county 4-H program. Events and activities are planned and conducted through the council.

All 4-H members, leaders and parents are encouraged to attend and contribute to the meetings.

Meetings are held every other month. Meetings are subject to change with notification at least one month in advance.

### **TIPS, THINGS TO REMEMBER, AND OTHER INFORMATION**

The following tips are to help you and your family ease into the first year of membership, hopefully making your year less confusing and more enjoyable:

1. 4-H is a family affair; you will get the most out of it if your whole family is involved. Parents, attend meetings with your kids. Both you and your kids will learn a lot.
2. Not one person can do everything. Work as a team to get paperwork in, meet deadlines, and do project work. Remember it takes parents and leaders who are willing to volunteer to get the job done.
3. Take pictures of everything you do. Not only will these become nice mementos to remember 4-H, but you will also need them when filling out the end of the year paperwork. We will also post your pictures of 4-H activities on the Dade County 4-H website and in Dade County 4-H Newsletter.

4. To complete your end of the year, you must complete a recognition form. This form will assist you in capturing your experiences and will also be used for awards.
5. Each 4-H member should plan to give a demonstration, illustrated talk, or speech at some time during the 4-H year. Some clubs give project demonstrations while others give individual demonstrations. This experience will allow members the chance to grasp skills such as public speaking, organization, preparation, etc. In this "Welcome Packet" you will find a tip sheet on demonstration and a demonstration planning guide.
6. 4-H business meetings follow Robert's Rules of Order. This allows meetings to run smoothly and most of the time without problems.
7. In June/July (depending on what day July 4<sup>th</sup> falls on) you are encouraged to participate in the Dade County Youth Fair. You are encouraged to take at least one indoor project that tells about or shows what you have learned throughout the year. Start planning at your first project meeting items you might like to take to the fair.
8. Participation is the key to 4-H. The more that a member does the more that the member and their family will get out of the program. As a 4-H family you are invited to participate in all county and club activities, along with other activities offered at the state and national level. These opportunities are included each month in your 4-H newsletter called the News & Notes.
9. Be sure and ask questions. We are excited about your interest in 4-H and want you to have a rewarding and successful experience.
10. Have fun!
