

Dent County 4-H Livestock Members

“Member in Good Standing”

In order to exhibit livestock at the Dent County 4-H/FFA Expo, receive premiums and sell in the market classes, you must meet the following requirements and have the bottom section of this page completed and signed by your 4-H Club Leader and Project Leader.

The requirements are that you must be a “Member in Good Standing” by attending a majority of the regular club meetings and project meetings by Expo time. You must have completed at least one (1) 4-H project. Exceptions may be made for extenuating circumstances and will be determined by your club leader, youth associate and 4-H livestock committee.

Complete and include in your Project Record Book to be presented at registration for the Expo – and for judging in September.
