

RESUMES
UNIVERSITY OF MISSOURI EXTENSION COUNCIL
NOMINEES for JEFFERSON COUNTY ELECTION 2025

DISTRICT I
(Fox & Windsor School Districts)

ROBERT BARGER - Has lived in Jefferson County for 25 years. Has one daughter and two sons. Worked at SKF as a machinist for 20 years and Kemco Aerospace for 4 years in maintenance. President of District 9 Machinist Local 1345. Interests are in agriculture, family and community development. Hobbies include golf, bass fishing and gardening.

MARIANN RUOFF - Has lived in Jefferson County for entire life, except for one or two temporary absences. Attended St. John Catholic Elementary School in Imperial (now closed), Seckman Jr. High and Fox Senior High School. Has an Associate's Degree in Business Management from Jefferson College, a Bachelor of Science in Accounting from Maryville University and a MBA from St. Louis University. Currently a Certified Public Accountant with a Missouri license. Single and foster parent to three teenagers in 2008-2009. Employed by Ameren for 21 years in various financial and analytical roles. Prior to that I was an Accounting Manager for River Cement Company in Festus and a Senior Accountant for the White-Rodgers division of Emerson Electric. Volunteered for Junior Achievement in their elementary school and Biztown programs as well as miscellaneous charitable events sponsored by my employer. Belong to the Missouri Society of Certified Public Accountants Association of Supply Chain Management. Interested in family, community development, consumerism, business and nutrition. Would like to serve in any capacity that would address and improve these areas in Jefferson County. Likes to read, go to the theater, babysit for friends and family and continuously learn new things, e.g. restoring furniture.

DISTRICT II
(Northwest, Grandview, Rockwood & Meramec Valley School Districts)

No candidates applied.

DISTRICT III
(Festus, Hillsboro, Crystal City & Dunklin School
Districts)

STEVE GLAUBER – Graduated from high school in Belleville, Illinois and Southern IL University at Edwardsville and completed my CPA in 1983. Moved to Missouri and Jefferson County in 2017 with wife, Lynn. Married for 47 years. Has three children, two daughters who live in St. Louis and one son that lives in Jefferson County and always dogs and some points cats. Spent career working with Non-profits, Non-Governmental Organizations, and consulted with many countries in Southeast Asia, Africa, and Europe. Successfully written grants and started a Federal Qualified Health Center in Alton, Illinois. Served on the committee to promulgate the International Public Sector Accounting Standards that are being used by governments throughout the world. Continue to work a very limited schedule with Techno Brain. Elected City Alderman in Belleville, IL in 1991. Currently a volunteer tax instructor and tax preparer for AARP and a volunteer as a MU Extension Service Digital Ambassador. Worked along with my wife and neighbors to stop a sand mine that was proposed along Old Route 21. Belong to Association of International Certified Professional Accountants, Boy Scouts of America, Aircraft Owners and Pilots Association, AARP Tax Preparation, The Sheldon Concert Hall Volunteers, Bethany Place, a hospice organization in Belleville, IL, and Knights of Columbus. Interests are in family, community, development, consumerism, business, nutrition, etc. Moved to Jefferson County because we loved the people and living in the country. Always been involved with the business side of organizations and truly enjoy working with other volunteers in providing services. Enjoy teaching and appreciate that AARP provides free tax preparation for anyone within certain parameters. Drawn to the Digital Ambassador program because it allows me to work with Jefferson County residents to work through the pitfalls of the Internet Age. Hobbies are animals of any sort, camping, traveling, shooting sports, and working with my hands.

DISTRICT IV
(De Soto, Sunrise, Jefferson R-VII, North St. Francois, Kingston School Districts)

No candidates applied.
