

# Litton Foundation Project Grant

## Due March 1st

Goal for Project Grants- The goal of the Litton Project Grants is to aid 4-H members in exploring, improving, or continuing a project that the member is currently enrolled in by awarding grant funds from \$25 to \$250. This wouldn't be possible without the generous support of the Litton Foundation. Applicants should only apply in one project area, and members must be enrolled in that project area.
