4-H Members: This is information for the 2021 fair. Keep these rules and class numbers for reference in preparing your exhibit tags. Please read carefully as there have been changes!

4-H EXHIBIT RULES AND REGULATIONS

1. Entries will be taken from 6:30 p.m. - 7:30 p.m., Monday, July 26, (No food or cake items will be accepted on Monday) and from 8:00 a.m. - 10:00 a.m., Tuesday, July 27. Exhibits will be released, Sunday August 1, 8:00 - 11:00 a.m. *only!* No exhibit will be released early for any reason. Any exhibitor removing exhibits, for any reason, prior to stated release times will automatically forfeit premium money and state fair eligibility.
2. Age Requirements: 4-H member, ages 8 - 18 on December 31 of the program year.
3. **No use of alcohol, tobacco, or illegal drugs by youth exhibitors will be tolerated. Exhibitor will be asked to leave the fairgrounds with their projects and forfeit their premium money and state fair eligibility.**
4. Each entry shall be owned, made, and shown by exhibitor in current year of enrollment.
5. All items exhibited at the St. Charles County Fair are to be made in 4-H projects. No items made in school may be exhibited.
6. Maximum of three (3) exhibits per project in which you are enrolled.
7. Each article must be labeled with "Fair Tag" showing the following information: Exhibit (article description), Class No., Member ID, Name, Address, and Age. Last name first on fair tags. Tags must be securely attached to article or hole punched on plate or paper and tied in place.
8. Conference Judging will be offered beginning at 9:00 a.m. No conference judging in Meats.
9. Where the exhibit list states, "any item made," the 4-H member may display any item made in that project. This includes: notebooks (3-ring binders are preferred), file cards, photo displays, posters, or educational displays. Regardless of project, the following dimensions/specifications must be used:
 - A. **Poster** - No larger than 14" x 22"; flat only; do not fasten three-dimensional items to the poster. **Only 1 poster per project that a youth is enrolled can be entered. (NEW IN 2020)**
 - B. **Photo Display**
The following guidelines are requirements for State Fair 4-H photography exhibits. Exhibits must meet the guidelines below in order to be eligible to be displayed at the State Fair. Exhibits not meeting these guidelines will be disqualified. Complete guidelines governing State Fair photography exhibits can be found at <http://4h.missouri.edu/statefair/4hbuildinginfo>
 - All photos should be mounted on an **8" x 10" solid matte board (color of the photographer's choice)**. Materials such as poster board or foam core board are not acceptable mounting materials. Note: "solid" requires that there are no cutouts or other holes in the matte board, either around or behind the photo. "Matte board" is a specific material, intended to keep the photo from getting bent or destroyed. It is not cardboard, foam core, poster board, etc.

Mount photos on the smoothest side of the matte board, using only adhesives designed for permanent mounting of photographs.

- No captions, titles, or writing on the matte board. The picture should tell the story.
- Margins are at the discretion of the photographer.
- No photos using glass and/or wooden, brass, plastic frames, etc.
- To protect exhibits from dust, humidity and handling, photos should be placed in a **photo sleeve (8 1/4 x 10 1/2)** that fits the photo. The bag should not be oversized and folded, as this makes it hard to display. Photo bags/sleeves are available from online retailers if local sources are not available. **Photos in ziploc type bags will be disqualified. (new 2019)**
- Photo stories should follow the above guidelines and consist of no more than 4 photographs per matte board.
- Include name, address and county on back of photo.
- Photographs must be 8" X 10" or smaller, with no more than four photos per matte board.

Digital Considerations

For State Fair 4-H photography exhibits, techniques that can be performed in-camera, in a photo-editing software program or in a film darkroom are also permissible. The line is drawn between "enhancing" and "altering" a photo.

Altering (editing to change the contents of a photo) is **not permitted** for State Fair exhibits.

- Examples include adding a sunset or object, removing someone from the shot, airbrushing to cover a bad complexion, etc.

Enhancing (editing to enhance the existing qualities of a photo) **is permitted**.

- Examples include cropping, dodging, burning, brightness/contrast adjustments and red eye reduction.

C. **Educational display** – Educational displays should not exceed 12" in height, 12" in depth and 12" in width. Can include three-dimensional items and be free standing. **(Posters with items taped to them do not qualify as an educational display. Science fair display boards are too large)**

D. **Entomology or Geology display boxes** - Box must be no more than 18" long x 24" wide and 3 1/2" deep to fit in display racks. The insects should be named, labeled and mounted so the boxes can be displayed horizontally. Plexiglas or plastic covers are preferred. No handles or knobs.

E. **Scrapbooking – For St. Charles County Fair only, the full scrapbook will be displayed.** Exhibits selected for State Fair Scrapbooking exhibits should be only **1 page/1 side** representative of the complete scrapbook.

- Size not to exceed 12" x 12"
- All pages should be in clear protective sleeve or clear zipper bag. Do not frame.
- Do not frame scrapbook page.

F. **Working models** - These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered "hands-on" and can be handled by visitors. Working models should require floor space no larger than 14" x 22".

10. When exhibiting any item, in any class, exhibitor may not exhibit an identical item in self-determined.
11. St. Charles County Fair, Inc. will not be responsible to any persons, individuals, corporation, or association, for any loss by fire, theft, damage, or personal injury sustained by anyone through the negligence of any person or groups of persons, exhibits or exhibitors.
12. 4-H exhibits will be judged separately from open classes since members in these organizations have specific project requirements.
13. All 4-H members must be enrolled and in good standing in their club and in the projects in which they exhibit. If a participant has been banned from participation in any other fair in Missouri for the current or previous years, they shall also be banned from participation in the St. Charles County Fair, Inc.
14. No premiums will be distributed at the fair.
15. 4-Her's that only enter projects in the Kolb Building can purchase an optional exhibitor wristband at \$15. This wristband must be worn the week of the Fair. They will be available to purchase on Monday July 26 from 6:30 to 7:30 p.m. and on Tuesday July 27 from 8 to 10 a.m. only. These are the regular times that projects can be entered. After these times 4-Her's can purchase a season pass at regular price or pay the daily gate price. This special price is only available to 4-H members exhibiting at the fair, other family members must pay full price. Wristbands must be viewable on your arm or you will be charged admission.

FOODS/NUTRITION

Co-Superintendents - Gina Hale & Rhonda Hanne

Exhibitors should adhere to the following guidelines governing Foods and Nutrition Project exhibits and displays:

1. **Foods must be of reasonable quality to keep more than a week. Do not exhibit items that will spoil quickly such as casseroles, pizza, cream pies, items made with cream cheese, etc.**
2. Display food items on paper or disposable plates. Plastic wrap will be removed so drying of the food will extend exhibit life of the product. Do not use glass, expensive, or keepsake containers!
3. Biscuits, cookies, muffins, and other small items should be limited to four (4) per plate.
4. Cakes and other bread products should be exhibited in mini-versions or in portions of 1/3 to 1/4 of the larger total product.
5. Gift packages must contain some baked or home canned item.
6. **One (1), individually wrapped, sample is needed with any food exhibit. This wrapped item is not to be a part of the four (4) items in exhibit.**
7. No alcoholic beverages may be displayed in gift packs.
8. **A recipe card is to be attached to each exhibit.**

A **Bake It With Lard Contest** is sponsored by the St. Charles County Pork Producers. Awards will be given for first, second, and third place exhibits. Any foods member may enter the contest by making an item with lard, but it must fit the regular foods classifications for year in which member is enrolled (Must be one of member's three exhibits). Please make note "Bake It With Lard" at the top of exhibit tag.
