To show/exhibit at the Warren County Fair:

A 4-H member must have attended 7 out of 10 club meetings by July 1st in order to exhibit in the Warren County Fair. If joining 4-H in Warren County after December 31st, you will not be eligible to exhibit in the Warren County Fair, 4-H division in the Missouri State Fair, or 4-H division of any fair.

In the event a member can't meet this requirement, special consideration is given to members with conflicting school activities that will affect their grade, or employment provided they give written notice to the club leader in advance. Only one unexcused meeting will be eligible for makeup the 4-Her is responsible for contacting the Warren County 4-H Program Director who will determine the when, where, and what will be performed for the makeup. The 4-Her has 30 days from the missed meeting to contact the Warren County 4-H Program Director.

Participation in state events and certain events is limited to those members who are in "good standing" with their local 4-H club. This includes submission of enrollment forms on or before county deadlines for a given year, attendance at a majority of project and club meetings prior to the event, and meeting other requirements established by the club, county and/or state.

Requirements to complete the 4-H year:

1. Attend majority of club or group meetings.
2. Enroll in at least one project and finish it. This includes attending a majority of project meetings, working on project goals, and keeping records on the project.
3. Demonstrate a skill learned or knowledge gained by making a handmade item, exhibiting a project or animal at a show or fair, or presenting a speech, report or demonstration in a group setting such as a club or project meeting.

I have read and understand the above guidelines.
