

# Is Your Farm Ready for COVID-19?

Prepare for business continuity to minimize the effects of quarantine if someone becomes ill

## Workforce:

### Separate

Maintain 6 feet distances, wash hands, stay home if ill

### Segregate

Designate teams and keep teams separated – cross train staff

### Clean or Close

Disinfect break rooms, showers, & common areas daily or close

## Farm Business:

### Plan for Business Succession

Ensure multiple people can write checks & obtain operating loans

### Suppliers:

#### Contingency Plan

Make plans to minimize possible disruptions

# ¿Está lista tu granja para el COVID-19?

Prepárese para que continúe su negocio durante la cuarentena si alguien se enferma

## Personal:

Separe

Segregue

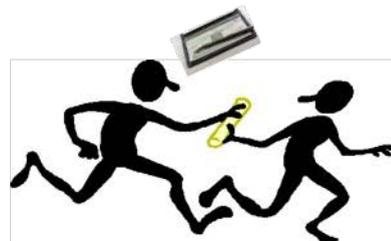

Limpie o cierre

## Negocios Agrícolas:

Tenga un plan para la sucesión de su negocio

## Proveedores:

Plan de contingencia
