

ONLINE EDUCATIONAL SOLUTIONS FOR MISSOURI FAMILIES LEARNING FROM HOME

MISSOURI
STUDENTS

\$250
PER COURSE*

Mizzou Academy is a fully-accredited online school, dedicated to providing excellent educational programming to middle

and high school students. **Students may take a course or two to supplement or enrich their educational path, or they may choose to complete their full high school diploma with Mizou Academy.** Coursework is self-paced, giving students the opportunity to complete courses in 2-6 months. All high school coursework aligns with state graduation requirements.

*Many high school students find that taking **Health** and **Personal Finance** online helps to create more space in their school schedules for other electives.

**Certain courses require additional material fees.*
