Native Warm Season Grass Farm Tour

Discussion

Personal Experiences with Native Grasses by Landowners
Establishment of Native Warm Season Grasses
Native Warm Season Grass Management for Grazing and Hay

Two Tour Stops

Richard Asbill Farm —Cassville
Gene Cowherd's Windymonte Farm—Purdy
Wrapping up with a BBQ Meal in Butterfield

Gather at the Asbill Farm at 4:00 PM
19472 Farm Rd. 1135, Cassville, MO

There is no charge to attend but preregistration is necessary. To reserve your meal, please pre-register by Thursday, August 5 by calling the Barry Co Extension Center at 417-847-3161 or email barryco@missouri.edu

To get to the farm, go south from Cassville on Hwy 112 1.8 miles, then turn left (east) onto Hwy 76 and go 1.5 miles. Turn right (south) onto FR 1135 and the farm will be 0.4 miles on the left.
