

Today I...

---

---

---

**When I go home, I plan to...**

- Donate to my local food pantry
- Work with other members and adult leaders to organize a food drive or meal packing event in my community
- Donate a market hog to "Hogs for Hunger"
- Educate others on food insecurity
- Sign up to work in a local food bank or soup kitchen
- Other \_\_\_\_\_

Share with us your plan for when you go home!

Thank you for joining us for our Missouri 4-H Feeding Missouri packing event at the Missouri State Fair, in partnership with Feeding Missouri and Missouri Farmers Care.

Although the work you have done today may feel small, know that you are making a difference for families in our state who are facing some big challenges right now.

We hope you will use this card as a reminder of the commitment you have made to take this experience home to share with those in your community.
