

Skill-a-Thon

Quilting

Selecting a Fabric

Supplies Needed

Six to eight different types of fabric. Provide several choices of different textures and weights of fabric. Number each piece of fabric.

Situation

Your grandmother's birthday is coming up soon and she has wanted a lap quilt to keep her legs and feet warm. You have decided to make her the lap quilt and need to select the appropriate fabric for the project.

Task

Choose three fabrics that would be appropriate in the lap quilt.

Directions

Examine the fabric samples and select the three that would be the best for a quilt top for the above situation. Explain the reason for your choice.
