Scissors

This page is for the Leader

Supplies Needed:

Photos of items or real items, Situation and Option card, 4-H judging cards, Judging Scale Chart and pencils.

Suggested Age: 8-10

Reasons:

- C** is first because these scissors are used for cutting out a pattern.
- B** is second because these scissors would be used for pinking edges. So if you were to try and cut out a pattern with them you would get a zigzag edge instead of a straight edge that you need.
- D** is third because these scissors would be used for trimming threads. They are much smaller than regular scissors so it would take a long time to get anything other than a thread cut.
- A** is last because these and nail scissors used to give a manicure, not in sewing.
