### Intermediate Zipper Selection

This page is for the Leader

#### Supplies Needed:

Photos of items or real items, Situation and Option card, 4-H judging cards, Judging Scale Chart and pencils.

**Suggested Age:** 11-13

#### Reasons:

- A.** Too short and non-separating.
- B.** Correct answer. The zipper separates so that the jacket opens and you can put it on easily.
- C.** The zipper is too light weight and does not separate. However, the zipper is long enough.
- D.** Although the zipper is heavy enough, it does not separate. However the zipper is heavy enough and could be used for a jacket to be used to pull over the head.

Rank order: B., D., (A & C will depend on style or fabrication of jacket)
