

Skill-a-Thon

Clothing

Sewing a Hem Properly

Supplies Needed

Material, metal measuring gauge, needle, lengths of thread, pins, scissors, (sewing machine if desired).

Situation

You have made a skirt for the 4-H Clothing project. You are ready to put in the hem.

Task

Demonstrate how to make a hem.

Directions

Mark the hem. Pin the hem in place.

Demonstrate the correct way to sew the hem (measuring the correct length of thread or using the sewing machine).
