

Skill-a-Thon

Consumer Savvy

Balancing the Books

Supplies Needed

Checkbook register, list of transactions

Note: See Consumer Savvy Helper's Guide, pg. 24, for the register and transactions.

Situation

You have recently opened your own checking account and have made several purchases and deposits. Now, you need to record these transactions in your checkbook register so you can determine how much money you have in your account.

Task

Balance a checkbook register

Directions

Record the transactions in the proper columns of the checkbook register. If balanced correctly, the ending checkbook balance should be \$36.61
