## Shooting Sports

### Scoring Paper Targets

#### Supplies Needed

A paper target for each specific shooting sports discipline (BB gun and light rifle) with punch holes in the target to imitate a score. Scorecards.

#### Situation

The county wide shooting sports coordinator has asked for help scoring targets for the shooting sports event at the county fair. You have volunteered to help.

#### Task

Examine and score the two paper targets.

#### Directions

You will examine and score the two paper targets.

Each target has a possible of 100 points maximum with 10 X. Record your score and the number of X's on the scorecard. The number of center shots (X's) is used as tie breakers in scoring.
