### Halter and Tie your Steer

#### Supplies Needed

Halter, table, stuffed animal or prop for haltering, prop for tying

#### Situation

You are showing a steer at the county fair. You need to halter and tie your steer so he won't get loose.

#### Task

Correctly place the halter on the steer and then tie the halter to the holding area.

#### Directions

Halter your calf so that you are ready to enter the show ring.

Remember to consider what side of the halter the lead rope should be located.

Make a knot to tie a calf up.

Remember you want to make sure that you can quickly untie the knot in the event the animal needs to be released in a hurry.
