

# Skill-a-Thon

## Cats

### Parts Identification

#### Supplies Needed

Stuffed animal cat or cat part image and flashcards.

#### Situation

You are opening your own small animal grooming business and you want to educate your clients about proper grooming of their pets. With this goal in mind you realize that it is important for you to know the different parts of the various animals so you can use the correct terms when you are demonstrating techniques to your clients.

#### Task

Correctly identify the different parts of a cat.

#### Directions

With the use of the flash cards correctly match the flash card with the identified part of the cat.

# Cat Diagram
