

Skill-a-Thon

Entomology

Insect Collection

Supplies Needed

Insects, pins, foam board, labels, pinning block, spreading board (butterflies and moths)

Situation

You are getting your entomology project ready for the county fair and need to begin pinning and labeling the insects on your board.

Task

Correctly pin and label the insects

Directions

Choose an insect and stick a pin in it so it will not move or slide around on the foam board. Attach correct label
