

Skill-a-Thon

Swine

Parts Identification

Supplies Needed

Swine poster and identification labels.

Note: The swine parts illustration is available on page 3-2 of the *Swine Resource Handbook*.

Situation

You have decided to enroll in livestock judging. Because you realize that knowing the parts of the animal is important to present reasons to the judges, you decide you want to learn the parts of the species that will be represented in the livestock judging contest.

Task

Identify the parts of market swine.

Directions

Use the labels to match the areas of the swine that are marked with an arrow. You may move the labels around as many times as you wish.

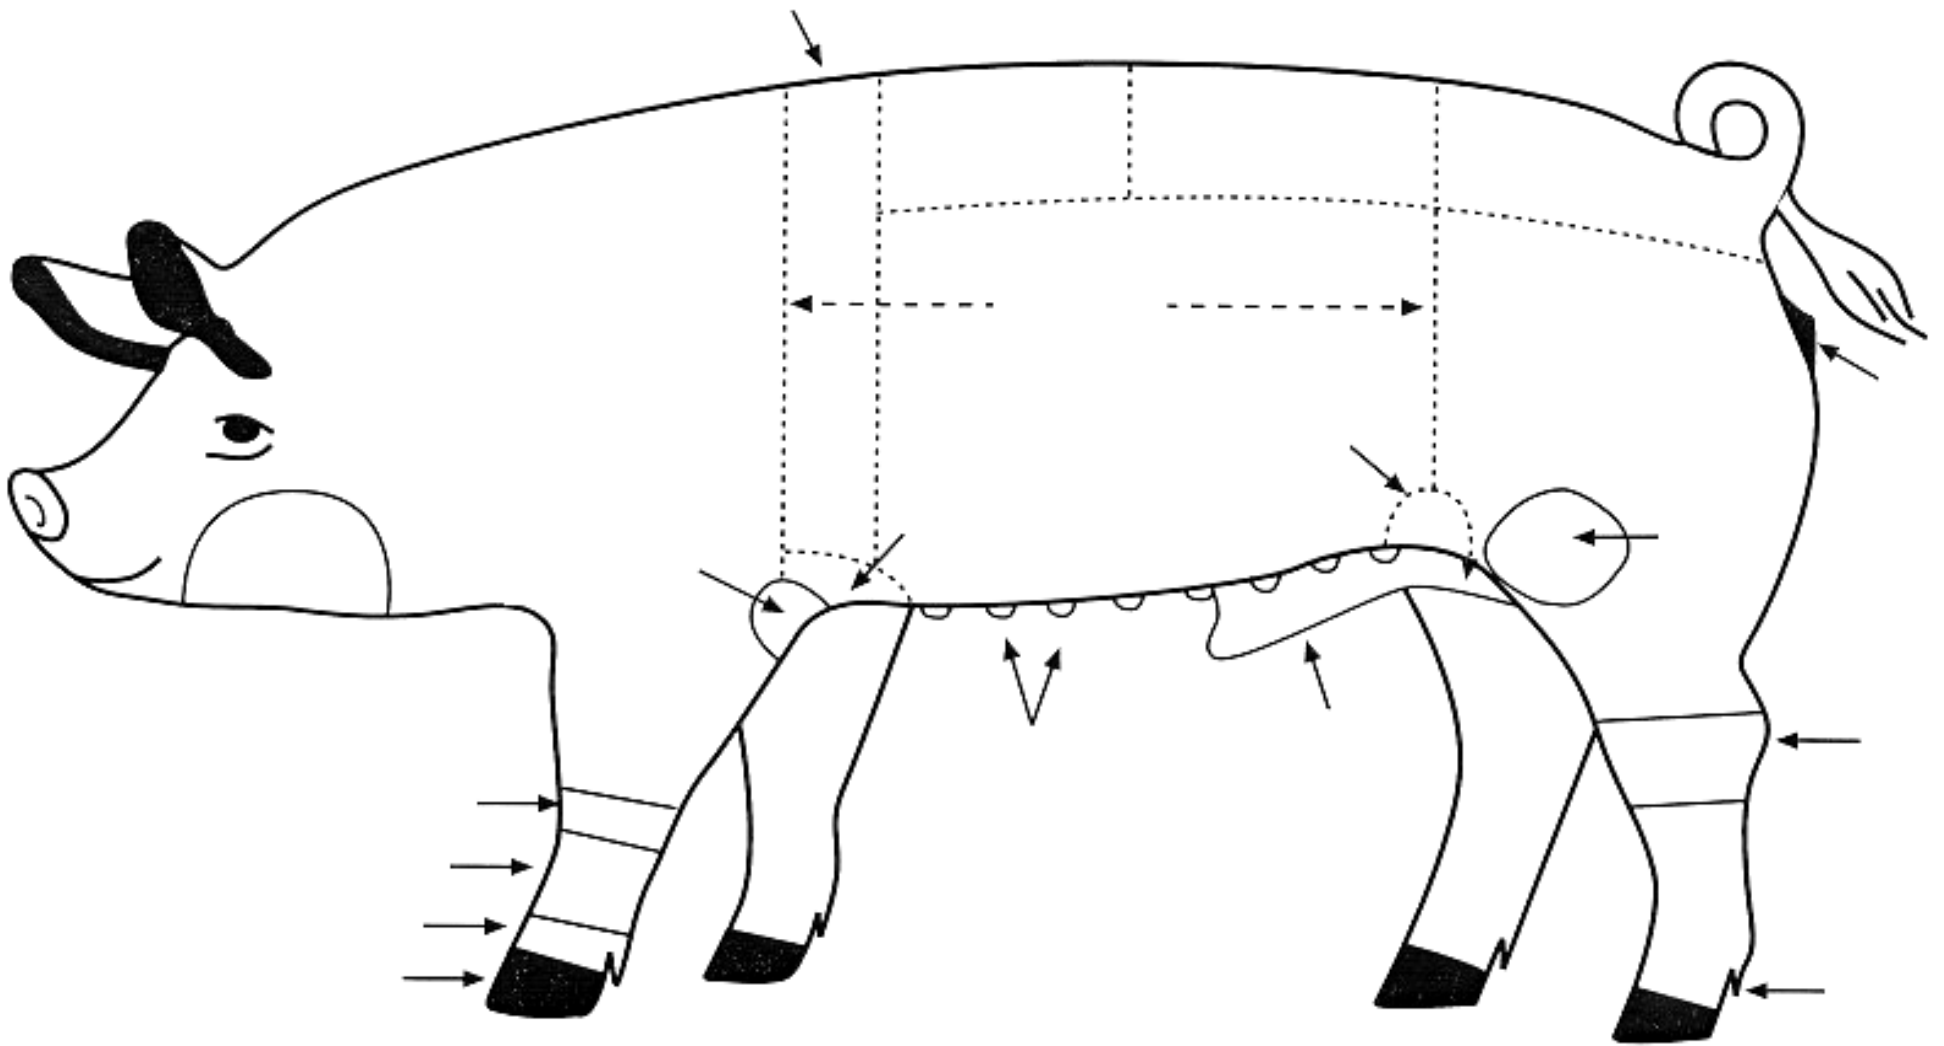

Once you have reached your final decision, present the labeled diagram to the leader to see how many labels you have placed correctly.
