Hi,

My name is Alexis, and I am asking for your vote as Vice President of the State Board of Directors in the Missouri 4-H council! A couple things about me, I am a 16-year-old girl living in Saint Louis. In my free-time I dance(ballet), play tennis, and the violin. That aside, I enjoy working with children through volunteer work at local schools and churches. Through 4-H, I have had the opportunity to meet some amazing people and work on issues I otherwise wouldn't have had the platform nor resources to tackle. I believe if granted the opportunity to be part of the council, I will work hard to ensure that your voice is heard so that we can make this community (4H) greater for not only us but the communities we live in.

Passionate About 4-H

I am a 9-year member from Greene County in the South West Region.

I started by showing pigs when I was 8 years old, and I am always looking for new project areas and activities to try each year!

My favorite 4-H memories come from being a camp counselor and from attending National 4-H Congress.

Making the Best Better

I hope to bring new ideas to the State Council and be the voice of 4-H members across Missouri!

Encouraging Others

I want to share my experiences with members from around the state and encourage them to seek new experiences while serving as a resource for help and information!
