

WHAT YOU SHOULD KNOW ABOUT THE CORONAVIRUS

PRECAUTIONS YOU CAN TAKE

wash hands often,
use soap and scrub
for 20 seconds

avoid touching
your face - eyes,
nose and mouth

cover mouth with
sleeve or tissue to
sneeze or cough

seek medical care
for fever, cough,
difficulty breathing

ADDITIONAL PRECAUTIONS INCLUDE:

avoid close contact with people who are sick, clean and disinfect frequently touched surfaces and objects. If you feel sick, stay home or seek medical care if experiencing fever, cough or difficulty breathing

WASHING HANDS FREQUENTLY IS ESSENTIAL

It's basic, but important - Wash hands frequently with soap for 20 seconds or use a hand sanitizer with 60%+ alcohol
