

2021 Events Schedule

MU Nursing Outreach

Where continuing education and continuing competency meet

In an attempt to promote your safety and ongoing access to convenient and affordable professional development opportunities, our 2021 conferences and webinars will be offered in a virtual format: live and/or pre-recorded.

Conference – a multiple session event, all related to the same topic. You may attend all sessions or pick and choose those of greatest interest to you.

Webinar – a single session event, typically 1-2 hr in length. You attend the entire session.
