

Shuttered Venue Operators Grant (SVOG)

APPLICATION PREPARATION TIPS

This grant application is expected to open in April. Applicants should complete these steps now in preparation to submit an application. The prep may take two weeks to complete.

1. Carefully review the [program FAQ](#) and the [program overview](#) to validate program eligibility. The FAQ answers all of the questions that we have access to at this point in time.
2. [Sign up for a DUNS #](#) or [validate if you already have one](#) - allow 1-2 business days for this step.
3. Register with [SAM \(Systems for Awards Management\)](#) - allow up to 2 weeks for approval. Watch the new [YouTube training on SAM.gov registration for the SVOG](#).
4. Create a [login.gov profile](#).
5. Gather 2019 and 2020 financials.
6. Do the calculation for the number of employees based on the definitions in the FAQ. Note: this calculation is different from the one used for PPP.
7. Do the calculation for what the potential maximum grant award could be. Formulas on [SVOG website](#).
8. Then do the calculation for the maximum PPP for which your business is eligible. Use the [First Draw Calculator](#) and [Second Draw Calculator](#).
9. Do the calculations to identify the percent of revenue loss experienced in 2020 in order to determine the priority application period in which you will be able to apply.
10. **NEW!** Entities that apply for a First Draw or Second Draw PPP Loan on or after Dec. 27, 2020 **are now** eligible to also apply for an SVOG. While entities originally were prohibited from receiving both forms of SBA assistance, the American Rescue Plan Act, which became law on March 11, 2021, removed this restriction. However, under the law, entities will be ineligible for a PPP loan AFTER they receive an SVOG.

The Missouri SBDC is funded in part through a Cooperative Agreement with the U.S. Small Business Administration and is a partner of the University of Missouri Extension.
