Total due: _____

^a Lab doesn't provide microbiological tests.

Submit 500 ml or 16 fluid oz. of sample for analyses. The turnaround time for water samples is five working days.

To pay by check: Make checks payable to MU Soil Testing for the total amount due. The check must be sent along with the sample unless you have an account set up with the lab. The lab also accepts purchase orders; contact the lab to discuss this process. Samples will be discarded after 30 days.

When submitting samples directly to the lab, send a duly filled sample information form.
